

CARPET CHOICE
THE RIGHT CHOICE

visage[®] **Kwik-Fit**

Visage Laminate Flooring carefully balances affordability and style. With its compact colour palette, Visage blends a highly resistant laminate surface with an easy-to-install glueless joining system. Visage affords a 20 Year Residential Wear Warranty covering wear through of pattern.

The versatile Kwik-Fit joining system makes the floor ideal for the do-it-yourself project with installation instructions inside every pack of flooring. A range of accompanying underlays, installation tools, trims and profiles are available, making your toughest flooring decision which colour of Visage you like best.

Limed Oak

Suiting the traditional to ultra modern and everything in between.

Kempas

A traditionally popular choice to add light and colour to your home.

Blackwood

The designer's favourite, sure to please even the most demanding tastes.

Tasmanian Oak

A stunning design that brings warmth and charm to any environment.
